**Our Fertility Tea BFP after just ONE buy**

Reviewed in the United States on February 12, 2020

**Verified Purchase**

[How does Amazon calculate star ratings?](#)

Previously write a review for Pink Stork Fertility entitles "Pink Stork Tea and My BFP after just ONE buy"

My guys kinda forgetful so I knew if I could get up and make us some tea together as a routine, he'd be more inclined to drinking it everyday than remembering to take a pill. He described the tea as having a nice flavor, giving him lots of energy and focus, and as previously stated we got our BFP after just ONE purchase of both the Pink Stork and Blue Stork. At CD11, TTC cycle 4, he began his tea regime. We performed semen testing within the time period, not sure if the tea had any affect on that as there were no problems currently diagnosed before then, that came back very positive. And on CD 29 I received my faint second line on a Pregmate test and today I received my BFP on a digital CD31. GET THIS TEA.

#### Excellent customer service

While the ingredients and quality of the tea look good, my husband did not like the flavor of this tea. I messaged pink stork to let them know and they were so kind and encouraging. They refunded me for the product, and even said they would pray for us and our ttc journey. While he didn't like the product, I give A+ for customer service. I also tried their fertility sweets and really enjoyed those!! Looking forward to trying other products from this company.

#### Delicious & energetic

Reviewed in the United States on November 6, 2019

Not only is this tea refreshing and delicious, but I can already sense an improvement in my physical and emotional energy. I've even replaced my morning coffee with a cup of this tea. My wife and I have been using the Blue Stork fertility line and are crossing our fingers & praying for a positive pregnancy result.

#### Love this company!

I have been using Pink stork for 2 years now and it's the only thing that has regulated my cycles. We are still not pregnant so decided to now have my husband drink Blue Stork to see if that helps. I'm glad this is something we can do together and excited to see how it helps him!

Well I gave it one star because we don't really see much of a difference. Still no luck and we have been TTC for almost 3 years now. We have been also trying all of the other products so I am hoping by feb. of next year we become lucky

**Worth a try!**

I bought this for my husband and he said it doesn't taste bad. We will see what happens. I ask that you pray he is as passionate about a baby as I am. Men usually drop the ball when it comes to taking pills or drinking certain things. I am doing this for both of us! So we will see if a 42 year old man and woman who been together for 14 years of love and 11 years of marriage can finally get our baby or babies. We trust God!

Our first impression was great everything is packaged amazingly the mint smell is awesome! My husband is not a huge hot tea drinker and he drank it all! He said it tasted like watered down mint chocolate chip ice cream but had a lingering after taste on spearmint gum. He said he gives it a 4/5 . We have been trying for almost 3 years now hopefully this will help us!
