

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

TRADEMARK AND SERVICE MARK APPLICATION WITH DECLARATION

Mark: **ELEOS (and Design)**  
International Classes: 009 and 042

TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:

Applicant:

Eleos Technologies, LLC  
200 N. Main Street  
Greenville, South Carolina 29601

A South Carolina Limited Liability Company.

STATEMENT

The above-identified applicant requests registration of the mark shown in the accompanying drawing in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 for the following goods and services:

**International Class 009:** Downloadable mobile applications for trucking, freight transportation, freight transportation intermediaries, logistic services, and reverse logistics services, namely, storage, transportation and delivery of goods for others; downloadable computer application software for trucking, freight transportation, freight transportation intermediaries, logistic services, and reverse logistics services, namely, storage, transportation and delivery of goods for others; downloadable mobile applications for capturing, viewing, processing, storing, managing, orchestrating, transmitting, of information, data, images, video, and sound; downloadable mobile applications for orchestrating workflow of users involved in freight transportation and logistic services; downloadable computer application software for capturing, viewing, processing, storing, managing, orchestrating, transmitting information, data, images, video, and sound; downloadable computer application software for orchestrating workflow of users involved in freight transportation and logistic services.

**International Class 042:** Providing on-line, non-downloadable, Internet-based software application for trucking, freight transportation, freight transportation intermediaries, logistic services, and reverse logistics services, namely, storage, transportation and delivery of goods for others; providing on-line, non-downloadable, Internet-based software application for capturing, viewing,

processing, storing, managing, orchestrating, and transmitting information, data, images, video, and sound.

Applicant is using, or using through a related company, the mark in commerce on or in connection with the above-identified goods and services in accordance with 15 U.S.C. § 1051(a), as amended.

One or more specimens showing the mark as used in commerce are submitted with this Application.

Date of first use of the mark anywhere in International Class 009: At least as early as June, 2012.

Date of first use of the mark in commerce which the U.S. Congress may regulate in International Class 009: At least as early as June, 2012.

Date of first use of the mark anywhere in International Class 042: At least as early as June, 2012.

Date of first use of the mark in commerce which the U.S. Congress may regulate in International Class 042: At least as early as June, 2012.

#### POWER OF ATTORNEY

Applicant hereby appoints Thomas W. Epting, Natalma M. McKnew and Kimberly Gatling of the law firm of Fox Rothschild LLP, 2 West Washington Street, Suite 1100, Greenville, South Carolina 29601, (864) 751-7600, and all members of that firm and all other attorneys associated with that firm, to prosecute this application to register, to transact all business in the Patent and Trademark Office in connection therewith, and to receive the certificate of registration.

#### CORRESPONDENCE ADDRESS

Please direct all communications to **Thomas W. Epting at (864) 751-7600**.

#### DECLARATION

The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered; the mark is in use in commerce on or in connection with the

goods/services in the application; the specimen(s) shows the mark as used on or in connection with the goods/services in the application; and the facts set forth in the application are true.

To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.

To the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and that all statements made on information and belief are believed to be true.
