Our showroom is temporarily closed. While we aren't scheduling in-person consultations at this time, we're still here to help you start your project.

Click the button above to schedule a virtual appointment with a member of our design team. If you are an existing customer, your designer will contact you with next steps to continue your project.

If you have questions, please call us at 858-812-8680 or email us at HDDC@homedepot.com.

The hub of your home, designed by experts

The kitchen is the center of your home, and we're here to help you find the perfect mix of form and function. Expertly trained and certified by top design organizations like NKBA and ASID, our team has the expertise to help you pick products and solutions that perfectly fit the hub of your home.

A variety of kitchen design options, at your fingertips

Explore 13 beautifully-designed, full-size kitchen displays where you'll find the latest in cooking and countertops, plus innovative storage solutions and cabinetry features that help you make the most of your new kitchen. Touch and test your way through a library of door styles, countertops, tile, hardware and more.

Every kitchen has potential, we bring it to life

Explore and compare endless style and customization options from American Woodmark, Kraftmaid, Thomasville, Häcker, Decora, Cambria, Dekton, Silestone and more. We'll help you achieve the look and functionality you're seeking for your kitchen, on your budget.

Kitchen Remodel or Appliance Upgrade, We Have a Solution

From upgrading appliances to a full kitchen remodel, we're ready to work with you from concept to completion.

Tell us about your project

Make an appointment to tour the showroom. If you're only interested in product, we'll help you arrange purchase and delivery.

Design as you choose

If you're remodeling, our design specialists work one-on-one with you to create a plan that fits your budget.

Relax & let us do all the work

Our design and project management teams can work with you from concept to installation. Or, bring your designer or contractor and we'll collaborate.
