Date: New to Old

The new Polarized Sunglasses collection by Reel Life fully embraces the on-the-water lifestyle. Designed for men and women, in an array of colors and lenses to choose from. All Reel Life Sunglasses, with polarized lenses, are made of 1.0 MM Triacetate Cellulose (TAC), a technology formulated for superior visual and polarization clarity. These lenses are predominantly made from natural, renewable materials, which include eco-polymers from cotton and wood cellulose.

TAC LENSES OFFER:

- Polarized for GLARE-FREE vision
- Optimal Visual Acuity
- 100% UVA+B protection
 - Lightweight
 - High durability
 - Anti-Scratch
- Environmentally Friendly
