Choose

## Project Information

### Project Description \*

Tell us a bit about how you plan to use the API to improve conversations online. Include link to your website/app/research project and a description of the tech stack you plan to use if applicable.

Your answer \_\_\_\_\_

### Languages \*

Select which language(s) you would like access to. Perspective currently supports the following languages:

- English
- Spanish
- French
- German
- Italian
- Portuguese

### Google Cloud Project (GCP) ID \*

You can find your Project ID, on your Project Info card within your Dashboard ([console.cloud.google.com](https://console.cloud.google.com))

Your answer \_\_\_\_\_

## Contact Preferences

### Perspective API Updates

- Yes, I'd like to sign up to receive emails on Perspective API announcements on new attributes, language support, and features.

### Collaboration Opportunities

- Yes, I'd like to sign up to be contacted about collaboration opportunities.

## Legal Information

The Perspective API is provided under the Google Privacy Policy ([policies.google.com/privacy](https://policies.google.com/privacy)), and the Google Cloud API Terms of Service ([policies.google.com/terms](https://policies.google.com/terms)).

### Consent Detail \*

I'll protect private data and data of people under 13 (or the relevant age determined by applicable law in my jurisdiction). For non-public data, data from people under 13 (or the relevant age determined by applicable law in my jurisdiction), or any data I would not like to not be stored by Google, I will use the doNotStore flag described in the API documentation. If I have not enabled the doNotStore flag, I request that Google store data submitted to the API to, for example, provide scores related to the context of a conversation and/or improve model performance.

I consent to the legal policy above.
