No American should celebrate traitorous Generals whose actions resulted in the deaths of 620,000+ Americans.

Trump is keeping their names on our installations and we're demanding that those names be removed.

Our great National Guard Troops who took care of the area around the White House could hardly believe how easy it was. "A walk in the park", one said. The protesters, agitators, anarchists (ANTIFA), and others, were handled VERY easily by the Guard, D.C. Police, & S.S. GREAT JOB!
