## Expert Service with Proven Results

Since 2015 we have proudly delivered the lawn you deserve to the Tampa Bay Area. Becoming a name you can trust when it comes to lawn care. With over 30 years combined experience our friendly technicians are highly trained and knowledgeable. That means real answers to your questions and real results in your lawn.

## Family Owned and Operated

Russ and Jenni started Florida Grown Lawn & Ornamental out of a one bedroom apartment and storage closet. Now, thanks to hard work and our awesome customers, we are setting the bar for lawn and shrub care in Tampa Bay. Having always held ourselves to a higher standard than our competitors, we truly care about doing a great job and providing you above and beyond customer service.
