Velocity Technology Associates, LLC

Our Team

We are a mix of seasoned IT professionals and eager millennials that are committed to building products that will make us a global leader in technology.

Our History

Our organization was the product of a desire to fill a need for using technology to build reliable products using agile design and execution techniques.

Our Mission

Our commitment is to utilize technology and innovation to build cutting edge products that enhance the lives of our customers.

Introducing MYSMART STOP

MY

Simple

Mobile

Assisted

Real

Time

STOP

- ◆ The next generation of smart policing.
- ◆ Better utilization of technology to protect driver and police officer.
- ◆ Goal is to make traffic stops safer for police and motorists by improved communication.

Why MYSMART STOP

- * Communication initiated by Driver.
- * Text sent to Driver's Contacts on stop.
- * Gain more insight quicker into the actual driver before approaching the car.
- * GPS based mobile technology.
- * Transparency for both motorist and police.
