National Championship Sports Policies:

My team is not showing up?

You will need to login to your team manager and create a team or you have not paid your annual team sanction fee.

Why is there a \$25 annual team sanction fee?

Travel Sports Baseball has established the Travel Sports Baseball Scholarship Fund. The program will be funded in part by the new team registration fee. 70% of our annual team registration fee will go directly to our Scholarship Fund account. The registrations alone will generate over \$20k annually to the fund. Scholarships will be managed and distributed by TSB Directors and area travel ball leaders, who will establish criteria for the distribution of the funds. The remaining 30% is paid to our software providers.

When do I pay the tournament entry fee?

All Travel Sports Baseball tournaments are first pay/first play.

Is there a team gate fee?

The gate fee will be listed on the tournament page for each event.

Do I need to submit a roster?

All teams will need to post their roster and have parent waivers signed by 11:59pm, the day prior to the tournament start. Players added the same date as the event start, or after, are not eligible to play in that event.

Is my team AA, AAA or Major?

If you are playing AA or AAA division please familiarize yourself with our classification guidelines listed at <http://travelsportstournaments.com/2018-rule-policies>

What Rules are We Playing?

We play by **National Federation Rules (NFR)**. **High School Rules**. This was an important shift to Travel Sports. We seized opportunity to educate players, parents, and coaches, to have the ability to gain years of experience in NFR's.

To fathom, to have clarity, to have understanding of critical, and specific NFR rules of: Safety, Slide, Conduct, Mound Trips, Jewelry, Bench Jockeying, Malicious Contact, Obstruction, Interference, and expectations of Sportsmanship. **NOT embarrass yourself** in front of **Your** High School, **Your** Community, and **Your** Child.

Meadow Park Athletic Complex 3200 Meadow Park Dr, Bedford, TX 76021

Colleyville City Park 2512 Glade Rd. Colleyville, TX 76034

A Thank You Note from the Mayor of McKinney on Previous Tournaments:

I want to personally thank all of the players, family members and visitors to McKinney as you participated in the Strikes Against Cancer Baseball Tournament. We've welcomed more than 500 teams from all over Texas and the surrounding states, and I'm proud to announce that we had over a 1,000 teams register, and over 500 teams play in the Annual Strikes Against Cancer Tournament, truly making this a World Series in a Weekend!

Not only are you celebrating our national pastime, but you are raising money and awareness to fight cancer, a disease that affects everyone. McKinney is honored to have you as our guests.

I've had the privilege of knowing McKinney resident and baseball player Geordon Cox who started the Strikes Against Cancer organization when he was just 11 years old to share his love of baseball and to honor his mother by raising money and awareness to fight cancer. He's has been recognized 2 times as the Chevy Hometown Hero of the Week on Fox Sports Southwest. We couldn't be more proud of Geordon and what he's accomplished.

To everyone who has been touched by cancer, we hope this tournament helps bring us one step closer to winning the fight against this disease.

While you were here, I hope you had the opportunity to experience our historic downtown, as well as the many restaurants and shops in our community and the welcoming spirit of our residents. On behalf of the McKinney City Council and all of our local businesses as well as Geordon Cox, his family and all of those that fight the fight every day against cancer, thank you for your participation in the Strikes Against Cancer Baseball Tournament.

Sincerely,

Brian Loughmiller
Mayor of McKinney
