## PRODUCT DETAILS

*There are plenty of benefits to having our faux fur dog beds. They can be used for napping during the day and sleeping in at night. Unlike the floor, a bed will keep your dog warm, support arthritic joints, and prevent calluses, and unlike a couch or human bed, our dog beds are spaces that pups can have all to themselves*

When it comes to the happiness and comfort of your furry friend, we make no exceptions. iHappyDog orthopedic dog beds for large dogs are made to keep your pet comfortable throughout the day while adding an elegant touch to your décor.

We only use carefully chosen materials that offer just the right balance of quality, style, and comfort. Our indestructible pet bed is crafted with close attention to even the smallest details to ensure our waterproof dog faux fur bed can handle daily use without losing its softness.

- **LUXURIOUS & COZY DESIGN:** We combine a fluffy faux fur cover with a soft memory foam base to bring your furry friend a luxury faux fur dog bed that will provide them the perfect place to sleep, rest or play while making sure they stay comfortable
- **SOFT MEMORY FOAM BASE:** Unlike most dog beds, our small-large dog beds are made with a soft memory foam base that allows the bed to contour to the shape of your pet to help minimize joint pain, reduce pressure and improve pet mobility to keep them cozy
- **LIGHTWEIGHT & MODERN:** The memory foam dog bed is designed to add a modern and eye-catching touch to your décor. It's lightweight, easy to carry and acts as a functional and stylish decorative piece to elevate the look of your interior

- **EASY TO CLEAN & MAINTAIN:** Messy accidents can happen anytime without warning, which is why we've added a protective layer on top to guard the memory foam insert. Our waterproof dog bed is machine washable and durable enough to handle daily use

- **GET THE RIGHT FIT:** Whether you have a small pup or a large dog, our pup rug memory foam bed has you covered. It's available in 4 sizes (Small: 30" L x 20" W, Medium: 40" L x 25" W, Large/Extra Large: 50" L x 30" W, Giant: 60" L x 35" W) to ensure your pet gets the perfect
