

Intuitive Readings & Spirit Box Sessions

Book A Reading or H.O.P.E. Session & Connect With The One You Seek

Josh, the creator of H.O.P.E., is a clairvoyant, clairaudient and clairsentient as well as a conscious medium. His God given ability is used to help others connect with their spirit guides, angels and of course loved ones for direction and guidance. Josh connects with his own higher beings and ascended masters to bring forth understanding to areas of one's life that may be cloudy. Using his unique style, Josh incorporates seeing, hearing and feeling what spirit has to give him regarding a message for his clients. Believing in a Higher Power he chooses to call God, Josh uses his ability to help people reach levels in their life never attained before and reconnect with loved ones in a very special way.
