

PRIORITY

INSTITUTIONAL SERVICES

Turnkey Business Process Outsourcing

Priority's Institutional Services business unit provides turnkey merchant development, business process outsourcing and refined supplier enablement programs for industry-leading financial institutions and card networks.

It's curated programs for institutional partners and enterprise clients leverage our professionally trained and managed call center teams for direct sales and customer development strategies that drive bottom-line results.

The Institutional Services team also works in concert with Priority Commercial Payments, utilizing approximately 190 employees to provide financial institutions and enterprise clients with services that drive SIP (Supplier Initiated Payments) and BIP (Buyer Initiated Payments), as well as merchant financing strategies. These range from supplier engagement campaigns to promote the automated accounts payable platform and closed loop acquiring to merchant development programs that drive card adoption in consumer and B2B payment networks.
