

## Businesses Across the United States Count on MyHRConcierge

MyHRConcierge delivers easy, affordable, and tested services to tackle Human Resources management and administration to businesses representing more than 200,000 employees.

These businesses have relied on MyHRConcierge to:

- Conquer the added complexity of labor laws when their workforce spans multiple states
- Tackle HR challenges specific to their industry, workforce, business model and objectives
- Add expertise and resources for special projects:
  - Onboarding new employees from the client's newly acquired companies
  - Developing compensation plans, performance review programs, etc.
- Efficiently manage employee onboarding
