PERSONAL SAFETY FLASHLIGHT

Your amazingly bright Photon Micro-Light® II provides reliable light for any situation.

The long-life replaceable lithium battery* powers an unbreakable LED in a virtually indestructible case. The ON/OFF switch adds convenience to the already "brightest-for-its-size personal flashlight."TM

White LED Approximately 30 feet (color of beam will modify usable distance)

WE TAKE QUALITY SERIOUSLY

If your Photon® Micro-Light fails for any reason other than abuse or battery expiration, return it for **FREE** repair or replacement to:

LRI - 20448 Hwy. 36, Blachly, Oregon 97412
www.LaughingRabbitInc.com
