PEOPLE

WHO DO WE WORK WITH

We work with startups, fast growing businesses, and established companies to cut through the burdens of hiring, taxes, paperwork and compliance issues, so you can focus on growing your business. Businesses that benefit the most from our services are dynamic companies that place a heavy focus on business optimization and/or growing in multiple locations, and start-up organizations working aggressively toward an exit strategy. We have worked with established businesses across various industries in both public & private sectors, including Oil & Gas, Manufacturing, Construction & Technology. Our diverse industry experience provides you with an HR partner that understands the unique culture, workforce and regulatory requirements in your business.

TALENT RECRUITMENT AND RETENTION

At ClickOnHR, we design scalable recruiting solutions that match your business needs to make you successful. When you land that major contract, or when you launch a new service or product, we serve as an extension of your company and recruiting partner for your talent demands. If you're experiencing consistently rapid growth, we can serve as an extension of your company to maintain an ongoing recruiting process & talent pool.

We work on a continuum of scope and scale to match your business needs to deliver solutions across the range of possibilities.

HELPING CLIENTS ACHIEVE A COMPETITIVE ADVANTAGE THROUGH THEIR PEOPLE

Staying ahead of changing HR laws & regulations, and keeping your employees informed of them with transparent communications, place extreme demands on you, and/or your HR department. We provide integrative services to build your very own HR department to ensure you remain in compliance, allowing you to focus on your growth.

VISION AND TRUST FOR THE CHANGING WORLD OF TALENT.
