In Israel you are covered by the national health insurance law. When relocating outside of Israel your coverage does not apply and medical expenses can be very high. In order to continue receiving medical services any time and any place, you must have an international medical insurance policy. Here at DavidShield, we offer a wide range of excellent benefits from doctor visits, childbirth, well baby and well child care, to surgery, hospitalization and transplants.

WHAT HAPPENS WHEN YOU NEED SOME MEDICAL ADVICE VISIT ISRAEL?

When visiting or after moving back to Israel, you'll enjoy the same comprehensive coverage via Clalit Health Services.

NEED SOME MEDICAL ADVICE RIGHT NOW?

When something doesn't feel right, you can consult a medical professional over the phone from the comfort of your home. Available 24/7, for free.

24/7 CALL CENTER
