## Our Story

Founded in 1999, with offices in Israel, Germany, Cyprus and Australia, DavidShield is a leader in the field of expatriate health insurance. Thanks to unique solutions, DavidShield's customers can access healthcare services across the globe, without paying any out-of-pocket expenses or submitting claim forms. This exceptional customer experience has earned the company numerous awards over the years, including the 2016 Expatriate Management and Mobility Award, which recognizes the industry's most innovative uses of technology.

## Our Vision

We are dedicated to providing you - our customers with the best service experience, and make it easy for you to access quality healthcare anytime & anywhere in the world. Our dedicated team is available 24/7, so wherever & whenever you need us, we're only a phone call away.

With the ongoing global Coronavirus outbreak DavidShield is prepared to provide service to all our customers globally
