I like this lil TSR: Petty Court. But the Bailiff took over the case. Poor Judge couldn't get two words in until time to hand down his sentence. I'll be back tho! 🤔 👍 👍

FKA Babe - 5 days ago - edited Look at the things Azealia Banks, Nicki Minaj and Cardi B have said and done..... now compare that to Iggy.

Than ask yourself WHY TF is IGGY AZALEA hated on more? Why? Oh right, because she's white. If she were BLACK though, it would be a different story. This entire situation is disgusting. And I'm black and seen rappers come and go..... Iggy is DEFINITELY worthy of respect. Her music BOPS. Period. And she can actually RAP, she's not a mumble rapper. And no one would debate that if she were NOT a white woman. That fact is disgusting to comprehend, on multiple levels. Considering how far rap has come.

TI is a coward and a fake friend, to not call it as it is. For being so "intelligent" he's very stupid. It's not IGGY'S fault people clown on you, TI..... it's your pretentiousness and the fact you always speak and act like you're smarter than you really are. You being a joke is YOUR fault. Not Iggy's nor anyone elses.

eva agbemadzo -> FKA Babe - 4 days ago She literally rapped about being a slave rapper, had no respect for black culture, and was incredibly ignorant/entitled asf....yet you are defending her as a black person? You look like a damn clown 😂😂. Nicki Minaj, Megan Thee Stallion, and Rico Nasty are all female rappers who can ACTUALLY rap unlike Iggy. Ever heard her live freestyle? It's awful...

started.... she would STILL be signed to him and he would be saying the exact opposite. At one point EVERYONE loved Iggy..... so where was all this energy than? Why wasn't he "regretting her" when she made Grand Hustle millions of dollars?

And 2nd, Iggy was WAY MORE SUPPORTED before she signed with TI. So if anything, her signing with TI was IGGY'S biggest career blunder - not the other way around. If she had just stayed independent or signed with Interscope instead (like she was supposed to) without ANY male rapper's co-sign, she would've been better off. SHE CHOSE TI, TI DIDN'T CHOOSE HER. IGGY HAD MULTIPLE LABEL OPTIONS BUT CHOSE TI, AND IT BACKFIRED. Poor Iggy. She don't deserve the hate she gets, at all. She's very talented, humble & beautiful inside and out. And what TI said was very weak, unprofessional, disappointing, ugly and straight mean. I lost the little respect I had for him.

I think that is a complete jerk move to put her out there like that. He is being a coward. Stand behind your choices and try to make her better.

WOW. I could see if she flopped but damn TI! Sounds kind of harsh on the surface but I guess you never know what's happening behind the scenes.
