**Flood Safety**  
Dallas highlights Flood Awareness Week  
May 18-22, 2020

Flood Awareness Week is designed to raise awareness about the dangers of floods and flash floods. Learn more at **Flood Awareness Week**

The City of Dallas urge drivers to always follow these flood safety tips:

- Turn Around, Don't Drown®
- It is NEVER safe to drive or walk into flood waters.
- Heed all warning signs.

- ➔ Get Involved
- ➔ It's Your Trinity!
- ➔ Sign-up for the Trinity Information
- ➔ Newsletter Archives

- Don't underestimate the power of water.
- Always be aware of your surroundings when driving.
- Use extra caution when driving or walking at night in storm conditions.

**Trees!**

## BRANCH OUT DALLAS PROGRAM

Registration for the **Branch Out Dallas** program will open September 1, 2020. Thank you for your interest in adding a tree to your yard! Trees provide many benefits to the environment.

**Tree Benefits:**

- Reduce surface runoff of water from storms
- Reduce soil erosion and sedimentation of streams
- Reduce wind erosion of soil
- Increase shade/decrease heat island effects
- Improve quality of life
- Increase ground water recharge that is significantly reduced by paving
- Reduce amounts of chemicals transported to streams
- Reduce air pollution
- Help to improve health as they strongly encourage people to go to parks or in green environments for walking, exercising, jogging or biking
- Raise property value

Stay tuned for the 2020 Branch Out Dallas tree-giveaway program by visiting [BRANCH OUT DALLAS](#).
