

Learn to Homeschool Well

Homeschool Like an Expert: Video Series teaches parents how to succeed with school at home, no matter the format or curriculum. Through nine fast-paced, concentrated lessons, you will learn how to give your child a great education, with visual guides, downloadable handouts, practical tips, and advice to help any family succeed. With the full series purchase, also get access to monthly Q&A sessions with experts

to help answer your questions. **You can do this.**

Homeschool Expert was founded by Anne Crossman, a former homeschooler, alum of Stanford and Duke, three time best-selling author of education books, and homeschool mom of four. With a friendly, encouraging style, Anne will teach you **step-by-step how to school at home** from kindergarten to high school. Using the advice and input of over 100 experts, including education professionals and experienced homeschool parents, Homeschool Expert brings the latest research and real-world experience to your kitchen table.
