

## PAWS TRACTION STRIPPING SHOES

**Prevent slips and falls associated with stripping floors. Three different designs to choose from. Used by in-house cleaners (schools, universities, etc) and business owners.**

[Learn More](#)

### FEATURES

#### Traction for Safety

Stripping pad sole material helps provide traction during floor stripping.

#### Cost Effective

Low cost options make it easy to implement safety shoes.

#### One Size Fits All

One size fits all strap-on traction soles for easy warehousing/purchasing.

## Easy on/Easy off

Elastic strap design makes pulling PAWS off and on easy.
