Super comfy hoodie, runs small

Familiarity: I've used it once or twice and have initial impressions
Fit: Runs small
Size Bought: M
Height: 5' 2"
Weight: 115 lbs

As others have said, this sweatshirt runs small. I am usually a S/XS in tops; originally ordered the small and had to return it for a Medium. The Medium fits well, although I wish it was a little looser around the hips (I have a petite hourglass shape). Having said that, it is super soft and warm and I love the neck/hood area to keep the draft out. Can't beat the sale price either! Overall happy with this product.

made for short women

Familiarity: I've used it once or twice and have initial impressions
Fit: Runs small
Size Bought: XL
Height: 6' 00"
Weight: 175 lbs

As a 6' tall woman I expect things won't fit quite right all the time, but this is really really made for short

women. I bought the XL and it would need to be a good 6" longer in the sleeves and waste to fit stylistically as it should. It fits adequately enough that for the sale price of \$18 I'm willing to keep it as something soft to wear around the house.

The most comfy, slim, flattering sweatshirt I've ever owned, and a great deal with the current sale!

Nice hoodie, runs small

Familiarity: I've used it once or twice and have initial impressions

Fit: Runs small

Size Bought: M

Height: 5' 4"

Weight: 133 lbs

Nice athletic cut hoodie. Super soft on the inside. I usually wear a small for tops, but I ordered the medium, and it's pretty snug. Definitely size up on this one if you want to be comfortable.

Runs smaller than I'd like

Familiarity: I returned this product before using it

Fit: Runs small

I am 5'4, 125 lbs. I wear a small but this small is tighter through the bust than I like for a comfortable sweatshirt, especially if I'm going to wear a tshirt under it. Great fabric and style, just not the right fit for me.

love it, no fit issue!

As other reviewers have said, this is a super-soft, somewhat lightweight sweatshirt, which makes it perfect for cooler weather in Los Angeles. If it runs small, I'm not aware of it. That said, I'm 5'5"/105 & usually wear an XS. The S is perfect, with enough room to spare to layer something underneath. I'd say that if you're a size 4 or smaller 6, it should be fine.

Eh....

Familiarity: I've used it once or twice and have initial impressions

Fit: Runs small

It's super-soft and comfy feeling fabric. As many others have said it does run small. My wife is normally between a M and L and the L just barely fits. It's a big disappointment that after only one wearing, it is pilling badly under the arms. I doubt this will last very long

Cute and comfy but runs SMALL!!

Familiarity: I returned this product before using it

Fit: Runs small

Size Bought: MED

Height: 5' 7"

Weight: 150 lbs

I read numerous reviews that these run small and I should have listened! I normally wear a Sm/Med in tops, size 6/med bottoms. I went with a medium in this, and it is TIGHT!! the material is soft, but there is not a lot of stretch at all! I am sending them back and re-ordered in a large.. trust me when I say, size up!

COMFYTOWN, USA- glad I read reviews

Familiarity: I've used it once or twice and have initial impressions

Fit: Runs small

Size Bought: M

Height: 5' 3"

Weight: 127 lbs

This sweatshirt is so soft and comfy and I love the thumb holes! I am so glad I read the reviews and ordered a size up. I am usually a size small and ordered a medium and I'm glad I did. The small would have been too narrow for my hips and butt. Fits perfect. Can't wait to live in this all fall/winter.

So soft and comfy!

Familiarity: I've used it once or twice and have initial impressions

Fit: True to size

Size Bought: M

Height: 5' 7"

Weight: 130 lbs

This sweatshirt is awesome! I typically wear a small in shirts so I ordered a medium in order to have some room in it. It's a perfect fit...loose but not baggy and definitely flattering. I can't get over how soft it is and despite being on the thinner side it's really warm. For the sale price you can't beat it! I also bought the matching joggers.

Love it but size runs too small

Fit: Runs small

Love the item, the sleeves are long and the blue color is great, but it is not equivalent to an XL in any other brand I wear, is tight and small. Gave to my daughter.

Super Soft But Weird Fit

Familiarity: I returned this product before using it

Fit: Runs small

Size Bought: Medium

Height: 5' 6"

Weight: 125 lbs

It's a hoodie. There shouldn't be fit issues. I even sized up because I like my hoodies roomy, and it's uprising tight on the bottom half. The worst part is the fit of the shoulder area, though. The seams fit exactly where they should, yet it feels like it pulls across my shoulders when I move. The fabric is super soft, so if this happens to fit you, I'm sure you'll love it!

Great light weight pullover

Familiarity: I've used it once or twice and have initial impressions

Fit: True to size

Size Bought: M

Height: 5' 4"

Weight: 145 lbs

Imagine you're camping and it's night time and you want something a little bit warmer than just your t shirt...but nothing that will make you too hot. This is the pullover. For me, it runs a little bit tighter but not uncomfortable. I like things baggy so it's not really baggy. The material is soft. The hood fits properly and the arms run a little bit long. But all those things I don't mind.

Fit: True to size

Size Bought: Medium

I bought the dark blue in medium. It's very soft and not too thick. It fits nicely although the sleeves are a little long but I have short arms.

Especially love the deep hood!

Familiarity: I've used it several times
Fit: True to size
Size Bought: Small
Height: 5' 6"
Weight: 125 lbs

I ordered the charcoal/black hoodie (which looks slightly purple in the light tbh), and it's so fuzzy and comfortable—it's super long in the torso, the sleeves actually fit my long arms, and the best part is that the hood is super deep. I hate hoodies that can't accommodate a bun; in this hoodie, you could have giant hair and still be able to wear the hood up! It's almost like a cowl. I'm in love and have not taken it off since I got it.

Perfection

Incredibly soft, awesome tunic length, spacious hood with a cool cowl, and tailored seams down the front for a slim look.
