### LOVE IT. 10/10

Reviewed in the United States on September 23, 2020

Color: Large 4 Piece **Verified Purchase**

I love it!! Item arrived quickly, just as described, and really is great quality. Grinds herb perfectly and the middle chamber has walls tall enough to hold a good bit without having spill out. The sunflower design (on top and bottom) is a bonus. Makes me smile every time I use it.

**Works great and is really pretty.**

Took one star off because the pretty sunflower started chipping for no reason the first week. I put a top coat of clear nail polish all over the top and now it hasn't chipped further.

**Poorly Made Grinder**

Reviewed in the United States on October 25, 2020

Color: Large 4 Piece **Verified Purchase**

The product was poorly made. The netting completely came off on its own, the middle section would get stuck all the time, and did not grind smoothly. I only used it maybe 6 different times. Would not recommend.
