HEY GUYS!

Thanks for checking out my store. I know a lot of you are probably like, "Why does she need to sell MERCH... She ain't famous!" Well, thank you for the clarification BUTTTTTT....I have an amazing following on TikTok (over 41K followers), and I appreciate them all, so, I wanted to create something relatable for my followers.

A little about me... I'm a Stay At Home Mom to a 2-year-old crotch goblin. I am a licensed Physical Therapist Assistant & out of work until further notice (thanks to COVID-19). I spend a lot of time (I'll admit that) on TikTok sharing my creativity, positivity, and smiles with my followers daily. I just like to make people smile!

I have set up a fundraiser with my "Holy Farts" mask; all proceeds are being donated to "Hope For Trisomy 13 and 18 Inc." I am a miscarriage survivor and want to help other Moms suffering with the loss of a child with Trisomy 13 and/or 18, just as I did.
