## NORDSTROM ANNIVERSARY SALE

### NORDSTROM SALE FAVORITES

*Kiehl's Cleanser // Donna Karen Deodorant // newLash Serum // North Face Flannel // Anastasia Brow Duo // Charlotte Tilbury Lip Set // Hourglass Primer & Setting Powder // Good American Denim // Natumi Bra // Spanx Shapewear // Kiehl's Shampoo & Conditioner // Kate Somerville Exfoliant // GHD Curling Iron // Super Gump Sunscreen // L'Oréal Flatter Top // Living Proof Tein // Nike Low Top Sneakers // Nike Running Shoes*

### ALL ABOUT THE BASICS

I don't know about you, but the Nordstrom Anniversary sale typically makes me nervous. I'm not sure what it is, every year I just kind of pop in and pop out as soon as I get access. It's probably because here in Florida thinking about boots and sweaters in August is a bit suffocating, ha! But you KNOW I'm always up for a *new work-out set*, *tennis shoes*, and *my beloved nordie!*

#### A FEW OF MY STAPLES:

Anyway, this year I was pleasantly surprised to see that SO MANY of my daily (and I mean DAILY!) favorites were on sale, things that I will definitely be buying since I already use them on repeat. Like *my absolute favorite deodorant* that typically costs an arm and a leg. Two shampoos that I LOVE (*this one* and *this one*). The sunscreen I use daily and the *facial cleanser* I use TWICE a day. The best *makeup primer* on the planet. The *eyebrow duo* I can not live without. And of course my, holy grail, *Charlotte Tilbury's Pillow talk lip collection*. Honestly, I was shocked to see so many of my staples included, and pleasantly surprised!

Also, you know... I've said this for years, *Natumi's bra* are my favorite (if you are looking for a strapless bra, *this is the one* I'm currently loving) and I only buy them during the sale. So I'll definitely be ordering a couple. And I LOVE seeing *my go-to curling iron* on sale. GHD products are so good and this curling iron is a miracle worker.

#### NEW FINDS I'M ORDERING:

But one of the items I'm excited to try and that's new to me, is a pair of *Good American denim*. I've heard so many great things about them and what they do for girls with *booties*! So stay tuned, because I'm definitely ordering those! Also I thought that *blue top* was really pretty and would be great under a jean jacket come Fall.

ALL of that to say, I am *really* excited that *my deodorant* is on sale! ha!

*P.S. I do have sponsored post with Nordstrom coming up in the next few weeks that I'm really excited about, so I'll take some of the *workout gear* for a test run (literally and figuratively!) and let you know what I think as soon as my order comes in!*
