

Scout Homedrinkers Association

January subscriptions will be available for delivery beginning Friday, January 8th.

Available for PRE-ORDER now.

For the wine lover, in its many forms.

Our range of subscriptions begins with you and your household. Each month we partner with small producers throughout California to romance with. We choose wines that charm us - made from individuals who are equally as charming. Our curations of wines will compliment one another, the season and your dinner table. You can expect quality here, wines of distinction and grace. From there, it's up to you how much, how often and in what style you'd like to join in on the love fest.

Each subscription comes along with a tasting note, real-life pairing recommendations, a thing or two of knowledge, and a whole lot of love from us and all the folks that brought the wines to life.

OH! And, all of this is delivered right to YOUR doorstep.

A few things to note:

-Local hand-delivery is free. If your zip code falls outside of our delivery range, we offer shipping at \$25.00. All wine deliveries require a
