BIG NEWS! Baja Bound is very excited to announce our new Baja Saver Mexican auto insurance policy! The Baja Saver is a heavily discounted policy for travel in Baja California, Baja California Sur and Sonora that is available for six month or annual coverage. The Baja Saver offers up to a 60% discount compared to full territory Mexican insurance policies! Check out all of the Baja Saver features here: <https://www.bajabound.com/bajasaver.php>

Since the essential travel orders are still in place we are rolling this out as a great option for expats and folks commuting across the border for work. We look forward to getting back to everything we love about Baja and hope to see you south of the border soon!
