

24/7 HOME SECURITY  
**Security Systems Built  
for You.**

Watch the Video

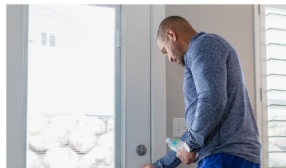

At Fluent, we provide state-of-the-art home security, technology, energy management, convenience, and mobile applications to help protect homes and families.

Our home security systems can help keep your loved ones safe by monitoring the comings and goings through all doors and windows, detecting suspicious activity, and ensuring all doors are locked and security systems set before going to bed or leaving the home.

In addition, you get instant notifications during an emergency, professional home alarm systems, and around-the-clock comprehensive protection.

 <b>Receive real-time alerts for all alarm activity.</b>  Be in the know. The Fluent app will notify you of any alarm activity in your home in real time.	 <b>Arm &amp; disarm your system from anywhere.</b>  Whether you're not sure your system is armed, or you have family in town visiting, have control of your system from anywhere in the world.	 <b>Schedule your system to automatically arm.</b>  With schedules, never forget to set your home alarm system. Schedule settings ensure your home is always protected.	 <b>Customize non-alarm alerts.</b>  If you just want to keep an eye on things, you can receive a text message whenever a non-alarm event is triggered.

### SMART SECURITY PRODUCTS

<b>Door &amp; Window Sensor</b> <ul style="list-style-type: none"><li>Monitors opening and closing</li><li>3-5 year battery life</li><li>Encrypted communication</li></ul>  	<b>Motion Detector</b> 	<b>Door &amp; Window Sensor</b> 	<b>Smart Touch Control Panel</b> 
<b>Key Fob</b> 	<b>Glass Break Detector</b> 		

24/7/365 monitoring. We never take a day off...ever!

Instant notification during an emergency

Comprehensive protection.

In North America, a residential fire occurs every 85 seconds. Every 3 hours, someone is fatally injured in a residential fire. We take fire protection very seriously.

Our state-of-the-art camera systems and sensors are always on watch for suspicious activity or irregularities within the home. Our equipment and personnel ensure that you and the proper authorities will always be notified when an emergency situation occurs, allowing immediate response. Nothing will happen without you knowing first.

Each home and family comes with its own unique set of needs. At Fluent Home, our home alarm system services go far beyond simple home security precautions. Our equipment and service packages are highly customizable, meaning you get exactly what you need to feel safe. Whether you need a dozen cameras to monitor every area of the home, or just a few security sensors, we can help you get what you need.

### PROTECT YOURSELF FROM:

#### Break-Ins

Crime in Edmonton has been steadily on the rise, and more people are worried about being the victim of a break-in. Protect your family and home from the threat of theft or worse with consistent and comprehensive wireless home monitoring.

#### Fires

Residential fires can ruin lives. In a moment or less, your life can be turned upside down. If a fire breaks out, you will be immediately notified and the fire department will respond as quickly as possible. Never lose a home to a tragedy.

#### Medical Emergencies

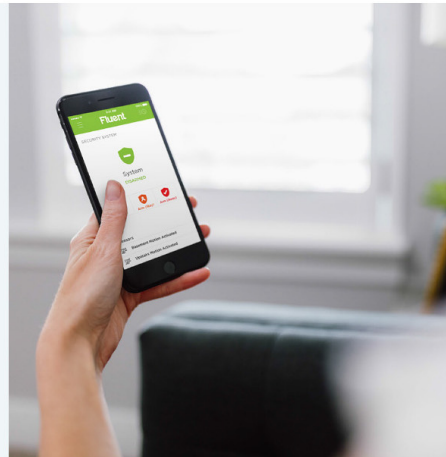

Having young children or elderly people at home means a medical emergency is a constant concern. If someone is in need of immediate medical attention, then they won't ever be alone.

### Control from anywhere.

Using your smart phone, you can access every feature of your system including lights, locks, cameras, and more.

"This definitely comes in handy when I need to let people into my home. It's also nice to be able to check the video feed and see what's going on. Highly recommend to anyone." - Kathy C.

### Exceptional Customer Service.

At Fluent, we take pride in our exceptional customer service. We believe it is essential that our customers' experience with our company be of extraordinary quality throughout their relationship with us.

Our Customer Loyalty and Technical Support Call Center is open Monday - Saturday 7am - 9pm and Sunday 9am - 6pm MST. Our Central Monitoring Station is open 24/7 to monitor and protect your home, including holidays.
