

# Check out a better checkout

Online and in-store, Google Pay gives your customers a faster, simpler way to pay.

## Behold, the power of a button

With a click, your customers can choose any payment method saved in their Google Account and check out almost instantly across apps and sites.

## Get stickers for your store

Let customers know you accept Google Pay with stickers for your door, register, and payment terminal. Just fill out this form and we'll send you a sticker kit.
