CBD Bath Bomb

★★★★★ 106 Reviews 🗨️ Ask a question

\$7.99

Hot bath: check, aromatherapy: check, CBD: check! CBD bath bombs give you the deluxe package for relaxation, formulated to give you the evening of tranquility you deserve!

Our artisan bath bombs are made with epsom salts, which are known to help promote the easing of muscle tension, as well as witch hazel for inflammation. This bathtime blend is complete with 150 grams of pure CBD isolate and natural, heavenly fragrance, available in five soothing scents.

JustCBD now offers the top CBD oil bath bomb to help men and women relax at home. Combining a soothing bath with 150mg of powerful CBD oil, our CBD bath bomb has both physical and emotional benefits. Try each CBD bath bomb recipe, including Rose, Lavender, Eucalyptus, Citrus and Sweet Cherry scents. Your mind and body will feel completely at ease in no time.

Description

Relief is just a few pumps away! Our classic CBD lotion is back, and this time with the soothing scent of lavender. With CBD, lavender, and the hydrating properties of aloe vera, this botanical blend is the ultimate sensory experience for a good night's sleep. This CBD body lotion's lavender scent is especially welcome after a warm evening bath.
