

# About ACT Research

ACT Research leads the field with authority and high-quality scientific evidence in support of education and workforce practices, solutions, and services. Our mission-driven team comprises a variety of backgrounds and disciplines, and offers a wide spectrum of knowledge and skills, enabling us to deliver quality, high-impact products and services aligned to ACT's strategy and mission. Together, our research teams provide policymakers, educators, parents, and learners with research-based insights to inform their decision-making, and deliver educators and workforce development professionals with tools and services needed for education and career navigation.
