Overview

Specifications

Description:

Eagle round steel (Schedule 10) bollard post (42" high) to add protection to a facility and prevent damage. Steel posts feature a durable baked-on powder coat finish in safety yellow to provide high visibility. Black high density polyethylene (HDPE) cap included.

Product Summary:

[See Clearance Terms & Conditions](#)

- Provide protection by creating barriers
- Separate traffic areas from your machinery or vehicles

Documentation

There are no file attachments for this product.

- Guard is made of 1/8 in. (.32 cm.) thick Schedule 10 steel
- Mounted on 3/8 in. (.95 cm.) steel plates with pre-drilled holes
