☆☆☆☆☆ **All were moldy and smelled terrible**

Reviewed in the United States on March 7, 2022

Size: 1 LB. Bag | [Verified Purchase](#)

Unfortunately they are all moldy and smelled like it too. First thing I did when I opened the bag was smell them and that's when it hit me. I took one out and I could see the speckles of mold on. Of course they're not edible to my dogs for that reason either.

☆☆☆☆☆ **Great product for a great price!**

Reviewed in the United States on February 20, 2022

Size: 1 LB. Bag | [Verified Purchase](#)

The product arrived on time in a resealable package. The Yak Chews did not have a strong odor like similar products purchased in the past. The ingredients are what I look for in a healthy alternative dog treat. Our dog Wallie is an aggressive chewer and this product held up great. Definitely will buy these yak bones again.

Dogs loved them, but, from the picture, there were a lot more than what was delivered.

☆☆☆☆☆ **Good but too soft**

Reviewed in the United States on March 9, 2022

Size: 1 LB. Bag | [Verified Purchase](#)

I order Yak chews because they usually last for days with my medium size dogs. These chews, although the dogs like them, were too soft and only lasted 10-20 minutes. Too expensive for such a short time.

☆☆☆☆☆ **Molded!!!**

Reviewed in the United States on March 12, 2022

Size: 1 LB. Bag | [Verified Purchase](#)

I purchased 2 packages and both were molded and smelled horrible. No way I can give these to my dogs. Description says no returns but refund available for defective item but that's not true. When I try to request a refund it only says unable to return and no other options, I'm trying to get a refund not return. Over \$50 wasted. Will never purchase again.
