

Professional AC & Heat Pump Repair & Installation Services

in Orlando, Tampa, Jacksonville & Surrounding Areas

Do you need a new air conditioner installed or an older AC system repaired? [Strada Electric, Security & Air Conditioning](#) can help you maximize your air conditioner's performance so that you enjoy energy-efficient cooling around the clock. Founded in 2003, we have all the experience needed to ensure your home or business has a correctly sized cooling system that matches your comfort demands precisely. We're a family-owned and operated company that offers the best AC services and systems in the area.

AC and Heat Pump Installations and Maintenance

Homeowners in our service area depend on air conditioning for most months of the year. When the outdoor temperature is scorching and the humidity level is high enough to soak you when you step outside, you want to escape inside where it feels cool and comfortable. With our [AC installation](#) and maintenance services, you'll know that your air conditioning is ready to battle and beat the heat no matter how extreme. We offer an extended 10-year labor warranty to protect your new air conditioner installation. When you hire us, rest assured that we'll perform your AC installation to a high standard.

24/7 AC and Heat Pump Repairs and Replacements

If your central air conditioner or heat pump stops cooling your home, you want the problem fixed as fast as possible without worrying about shoddy workmanship. Strada Electric, Security & Air Conditioning is available 24/7 for emergency air conditioner and [heat pump repair](#) service without after-hours charges. You can count on us to communicate clearly, remain transparent and listen deeply to the needs of our customers. We won't ever move forward with a cooling repair or [replacement](#) before you give us the green light.

Providing Air Conditioning Service to These Areas

Strada Electric, Security & Air Conditioning not only specializes in a wide range of services. We also offer them to a broad area. That's because we want to maximize comfort, safety and security for as many people as possible. We perform our AC services
