

Providing Heating Repair, Furnace Installation & Maintenance Services

to Orlando, Tampa, Jacksonville & Surrounding Areas

Homeowners in our service area depend on effective and efficient air conditioning for most months of the year. But that doesn't mean home heating isn't necessary to maintain a high level of indoor comfort for your family and friends when the outdoor temperatures get chilly. While our company name doesn't suggest it, Strada Electric, Security & Air Conditioning offers heating installation, repair and maintenance services. We'll ensure you feel warm and cozy when the winter cold fronts start blowing through the area.

Heating Installation and Maintenance Services

Starting your heater installation on the right foot is vital to maximize heating efficiency and minimize energy costs, and that requires professional guidance. Strada Electric, Security & Air Conditioning will help you select the best heater for your home's comfort demands and install it with the highest level of experience and knowledge. For an additional charge, we offer an extended 10-year extended labor warranty. When you hire us to install your heating system, rest assured you'll receive a quality product built to last.

24/7 Emergency Heating Repair and Replacement Services

Whether you operate a furnace or [heat pump](#) to keep your home warm, rest assured we can repair it quickly if it breaks down. Strada Electric, Security & Air Conditioning offers 24/7 emergency heating repair and replacement services, and we don't charge extra for after-hours calls. We remain transparent during the process and never take a step forward without your approval. You can depend on us to restore your comfort right away. We promise peace of mind with responsive customer service when you schedule a heater repair.

Providing Heating Services to These Areas

At Strada Electric, Security & Air Conditioning, our goal is to help as many customers as possible enjoy effective and efficient heating. That's why our service area is so broad. We're happy to complete high-quality heating installations, repairs and
