Meet Our SEED Partners

Social Enterprise And Economic Diversification

SEED stands for Social Enterprise and Economic Diversification. The SEED Fund makes equity investments in social entrepreneurs with viable ideas and willing to adhere to a triple-bottom-line and willing to utilize our 33-6-3 model to hire local people facing barriers to employment.

Incubating and Investing in Employment-Based Social Enterprises

Facilitating Professional, Personal, and Academic Development for People Facing Barriers to Employment

Leading and Collaborating on Community-Based Revitalization Projects

REBUILDING THE APPALACHIAN ECONOMY FROM THE GROUND UP.

Rebuilding the Appalachian economy from the ground up. We believe in developing the potential of Appalachia through the triple bottom line: people, planet, and profit.
