

## Create a Thriving Coaching Business

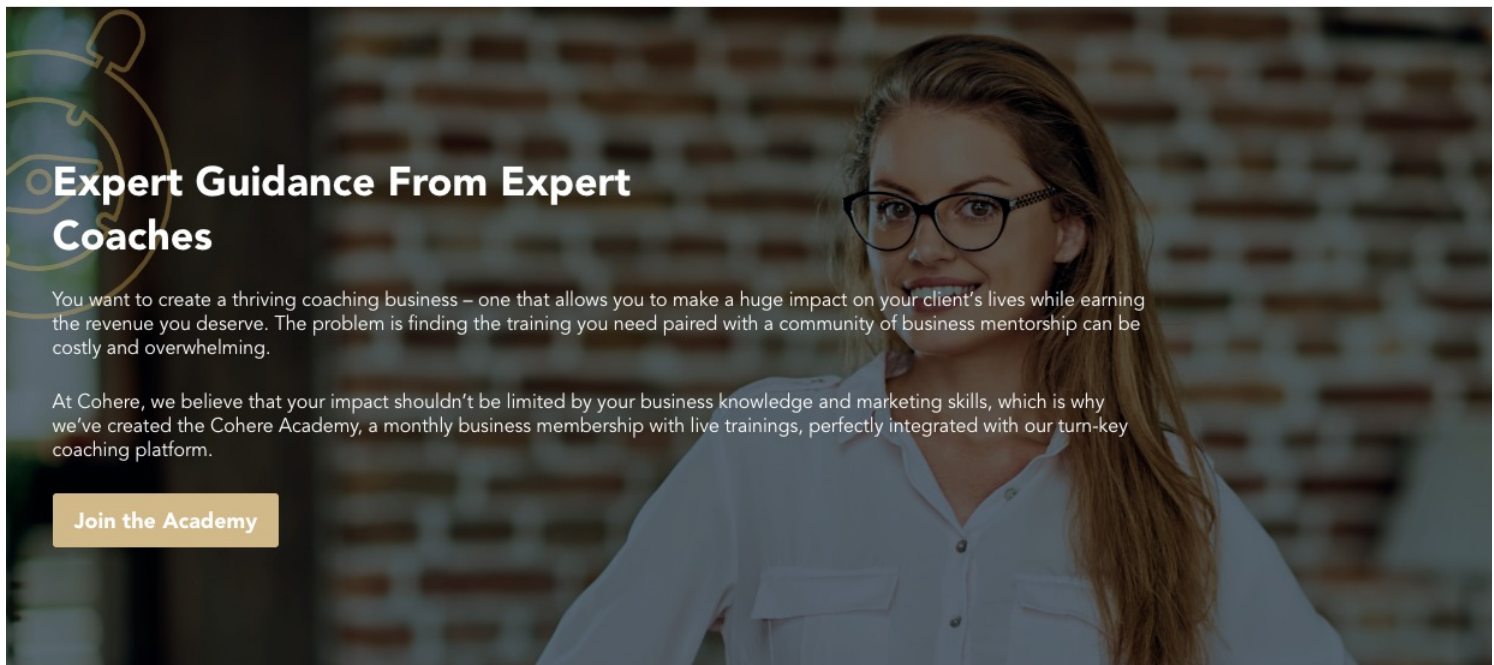

One place to learn from the best coaches AND have the tools to sell, deliver and scale your coaching services

Join the Academy

## Grow Your Business and Step Into Your Full Potential

Are you tired of managing all the systems or tools to stay organized? Do you want to deliver the best possible transformation for your clients online? Spending time on admin work shouldn't get in the way of coaching.

Join the Academy

## Expert Guidance From Expert Coaches

You want to create a thriving coaching business – one that allows you to make a huge impact on your client's lives while earning the revenue you deserve. The problem is finding the training you need paired with a community of business mentorship can be costly and overwhelming.

At Cohere, we believe that your impact shouldn't be limited by your business knowledge and marketing skills, which is why we've created the Cohere Academy, a monthly business membership with live trainings, perfectly integrated with our turn-key coaching platform.

Join the Academy

## Learn How to Launch, Market and Scale Your Coaching Services

The Cohere Academy + Cohere Platform provides you with monthly live workshops from leading coaches, a coaching community, and equips you with a platform to sell, deliver, and scale your coaching business so you can transform more lives and step into your full potential.
