WHEN YOU ORDER WITH MOXē, YOU GET MORE SPEED, CONFIDENCE AND CONTROL.

MOXē is our new all-in-one e-commerce portal – the one-stop shop for you to find innovative products, manage orders and track your deliveries ... from your phone, tablet or computer.

MOXē has been built from the ground up, using the latest technology, making it the fastest user experience in the foodservice distribution industry. MOXē helps you save time and manage your business with essential tools like list management, detailed product content, recipes and more – all served up with the speed and reliability you've come to expect from the industry leader.

AVAILABLE NOW!

Desktop and Laptop Users

MOXē IS EXCLUSIVELY FOR US FOODS® CUSTOMERS. BECOME ONE NOW.

BECOME A CUSTOMER

SPEED

- Speed is not only about page loads (but MOXē has that, too)
- Anticipates your needs and customizes your experience
- Navigates deliveries and orders with the click of a button
- Intuitive design features make it faster to complete everyday tasks

CONTROL

- Works across desktop, tablet and mobile devices
- Mobile list management helps keep

CONFIDENCE

- More pictures and videos than ever before, to help you understand the product
- Enhanced product content, including features and benefits like labor savings
- Improved features like “Customers Also Bought” and “You May Also Need” make it easier than ever to find related products
- Ratings and reviews from other verified buyers
