Signature:  _____

Signatory's Name: Kristian Shkrelli

Signatory's Position: Managing Member

Signatory's Phone Number: 914-708-9186

Date Signed: 04 | 3 | 2023

NOTE TO APPLICANT: When filed as part of the electronic form (i.e., scanned and attached as an image file), the signature page **must** include both the signature information **and** the declaration language. Do **not** include the entire application, but do ensure that the declaration language actually appears; *a signature by itself will not be acceptable*. If, due to browser limitations, the declaration language appears on a previous page when printed, you must "merge" the declaration and signature block onto a single page prior to signing, so that the *one complete page* can be scanned to create an acceptable image file. It is recommended that you copy-and-paste the entire text form into another document, manipulate the spacing there to move the declaration and signature section to a separate page, and then print this new version of the text form to send to the signatory.

IMPORTANT INFORMATION FOR APPLICANT:

No filing fee refunds

Once your application is submitted, the USPTO we will not cancel the filing or refund your fee. The fee is a processing fee, which the USPTO does not refund even if a registration is not issued after substantive review of the application. This is true regardless of how soon after submission you might attempt to request cancellation of the filing.

All information submitted made public

All information submitted to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, email address, and street address. Please be aware that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view the information in the USPTO's on-line databases and through internet search engines and other on-line databases and may use this information to contact you directly. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

Review of application

Your application will next be reviewed by a USPTO examining attorney for compliance with all legal requirements. See current trademark processing wait times (<https://www.uspto.gov/dashboard/trademarks/application-timeline.html#first-action>) to estimate when your application will be assigned to the examining attorney. The examiner's review may result in a letter (what we call an "office action") informing you of reasons that your application can not become registered. If you believe that these objections can be overcome, you must file a response by a strict deadline which is stated in the office action. If you or your counsel fail to submit a timely response, your application will be considered abandoned.
