Premium coverage

You have access to multiple carrier networks when traveling domestically and around the world. Fi is not subject to data traffic deprioritization during times of high network usage.

5G speed nationwide

Enjoy fast 5G coverage on all Fi plans with a 5G-compatible Android phone or iPhone®.¹

¹ 5G service not available in all areas; speed and performance depend on factors like device configuration and capabilities, network traffic location, signal strength and signal obstruction. Actual results may vary. For more information visit g.co/fi/broadband-facts.

² Hotspot tethering counts towards your monthly data usage. On Simply Unlimited, you can use up to 5GB of hotspot tethering.
