COMMERCIAL

The image shows a promotional banner for Standard Heating & Cooling. At the top, there is a dark green navigation bar with a phone icon and the text 'CALL TODAY 855-923-5154' on the left, and links for 'Reviews', 'Careers', and 'Store' on the right. Below this is a large photograph of a white service van with a green panel on the back. The van has the Standard logo and 'UNICELL Company' branding. Two technicians in grey shirts and dark pants are standing by the van. A large white text overlay reads 'Standard Offers Free Heating Systems, Free Insulation, and Free Refrigerators!'. Below this text is a green button that says 'Get Free Upgrades'. The van's New York license plate is visible and reads '64383-NA'. The background shows a residential street with trees and a house.
