### Applications: weed and pest control, fungus control, fertilizers, general purpose cleaning

Designed for professional landscaper and homeowners, Chapin's 60100 4-gallon backpack sprayer is ideal for your home and garden tasks. The 4-inch opening on the translucent poly tank allows you to fill it, clean it and change the filter easily. Our backpacks come standard with a 3-stage filtration system. Its poly wand, cushion grip poly shut-off, adjustable poly-cone nozzle and padded shoulder straps keep you comfortable while spraying weeds or fertilizing trees in your garden. Nitrile seals provide compatibility with general fertilizers, weed killers and pesticides. Made in the USA with global materials.
