TRACKER™

*The safest, strongest, easiest, most durable, trouble-free,
5,000-pound rated, A-frame tow bar manufactured...
...**BAR NONE!***

5,000 pound-capacity car-mounted tow bar

**For most RV towing combinations, we recommend our [premium tow bar line](#),
which offers exclusive features to enhance your towing experience.**

- **Full-length safety crossbar** — reinforced for maximum support and safety.
- **Easily folds for storage** — no tools needed!
- **Sealed tow bar arms** keeps moisture and road debris out
- A lustrous, high-tech **powder coat finish** for maximum durability
- For all two-inch, ball-mount motorhome receivers
