Made in USA

## BENEFITS

- Delivers intense moisture therapy anywhere on your body.
- Excellent for use after a day in the sun to prevent burning or peeling.
- Use on hands, feet or anywhere in between.
- Tones and firms for younger looking skin.
- Safe for all ages from children to adults.
- Paraben-free. No animal testing.
- No artificial dyes or colors, No synthetic fragrances.

**Directions:** Apply anywhere on the body as often as possible. For best results apply 3-4 times daily for severe dry skin areas.
