Medallions are real-looking horses that are made affordable for everyone and cost hundreds of dollars less than a real horse. - By gently moving up and down on the foot rests your child makes the horse's legs and head move forward and backward in a galloping motion. Our Medallions can make right and left turns easily or just going forward at the ease of a child's control. NOTE: The Medallion ride-on cannot go backward as it is a safety measure. Therefore, safety lock mechanisms on all wheels have been installed. \*\*\* PLEASE MAKE SURE ALL THE SAFETY LOCKS ARE IN THE DOWNWARD POSITION \*\*\*
- Medallions are made with pride, quality, and workmanship. Unlike other ride on horses, Medallions are built with Sturdy Metal and Steel Structures and Mechanisms that can easily hold a child that weighs 50 Kgs or up to 110 Pounds for 5 to 12 years old – MEDIUM SIZE MEDALLIONS. Our
