DESIGNED WITH YOU IN MIND

Building a custom home should be an exhilarating and rewarding experience; we take the utmost care in making sure your home reflects your lifestyle and individual taste. With an unparalleled reputation for excellence in today's custom market, we design each home with the highest level of craftsmanship every step of the way. Integra extends that same dedication of quality workmanship and extraordinary customer service to the townhome and condominium market as well. Your home is a reflection of you and your lifestyle. Imagine building a home that is designed in harmony with the way you live. When you work with Integra, you have complete freedom to decide the look and feel of every aspect of your home. From colors, trim and room design, to the overall style, nothing is off limits. At Integra, we highly encourage your input at every stage of construction to ensure total satisfaction.

TECHNOLOGY INTERIORS

We are Indy's leader in custom home theater sales, service and installation. Technology Interiors is on one of the Top 100 Integrators in the nation and we offer free design and in-home consultations. We install home theaters, whole house music, home security and camera systems, surround sound, home automation, intelligent lighting and wireless options.

Family owned and operated, Integra was founded 30 years ago with the intent of building the finest custom homes in the industry. Integra Builders is privileged to offer you the most luxurious and convenient living in the Indianapolis area, with the countless standard, but unique, features that add value and comfort to your perfect home. Our team takes great pride in our ability to create distinctive and creative home designs that feature state-of-the-art and comfortable interiors; combining luxury, functionality and beauty. We are committed to our homeowners' happiness and stop at nothing to ensure your needs and expectations are met, offering complete service from the first idea to final move-in and well into the life of the home.
