Absolutely smell proof, a must have!!

These bags are great and most importantly smell proof, as long as you fill them correctly no smell!!
Holds .5g up to 28g with no issues, the sealer tool works but could use some finessing..
All in all awesome product 5 stars

Serves its purpose.

Keeps my oregano from smelling up the place, works exactly like I'd hoped though the bonus heat sealer doesn't seem to work very well like others have said, maybe it's user error, I don't know. I didn't really mess with it that much as I don't need to heat seal them, but I was curious enough to try it and couldn't get it to work.

I actually did not purchase this for the advertised use. I buy spices and herbs in bulk and needed some little bags to keep them fresh. I thought these were a good idea with the little sealer. Well, the bags are very nice indeed, but the sealer has a bit to be desired. I threw it away. The bags zip closed without the sealer. It's really not necessary.

Heat sealer doesn't work, bags sub par, put your money elsewhere.

I was a great deal for a set of bags AND a heat sealer. But the sealer doesn't even work. I tried my best to use fresh batteries, hold firmly, and wait for a long time for the unit to heat up. Nothing. My sweaty palms are warmer than the heat sealer itself. The bags are so-so, nothing better than others that are half the price. I should have just bought a good set somewhere else, but that's my fault.

Bags looks great abit bigger then expected but thats fine. This sealer is terrible they advertised free so I thought ok ill get this to not buy the sealer separate. What a waste the sealer is straight trash. Very useless if it doesnt seal anything.
