Blue Soul Earth

http://www.bluesoulearth.com

Blue Soul Earth is dedicated to awakening & igniting the Soul through events, Blue Soul Circles, workshops, content and working one-on-one with individuals.

While we are based in the San Francisco Bay Area, we are open to holding spiritual events anywhere in the world, so contact us if there is an interest.

Blue Soul Circles & Blue Soul Workshops are events held to accelerate consciousness for those yearning for a deeper exploration of spirituality and to better understand how mindfulness & a spiritual life can transform who we are and everything around us.

All of our work is about embracing everyone's diverse gifts and honoring all divine walks of life, whether you stem from Buddhism, Hinduism, Judaism, Shamanism, Christianity, Islam, Paganism or perhaps none of the above and you simply have faith in Mother Earth, practice meditation or yoga as your inspiration and life charter.
