

## Josh Snyder

Owner

Josh Snyder has over 10 years of residential real estate development and investment experience in the Washington DC and Northern Virginia. Throughout his career, Josh has purchased, renovated, and sold dozens of properties, managing the entire process from demolition to design. He is a class A contractor with expertise in residential construction and remodeling. Josh's in depth knowledge of construction estimating enables him to provide expert analysis and recommendations on home renovations, so that his clients achieve their goals while maximizing their return on investment. Josh graduated from The George Washington University with a bachelor's degree in finance and continued his education at Georgetown University where he received a master's degree in real estate development. In Josh's free time, he enjoys spending time with friends and family, studying spanish, and traveling abroad. He is very excited to be welcoming a new baby to his family this coming September.
