### OVERVIEW

The Static CC MTE brings the comfort of ComfyCush and the protection of MTE together for the first time. Featuring a newly designed ComfyCush outsole with a reverse lug for more functional and durable wear, the Static CC MTE also includes iconic Vans mudguard paneling, a puffed collar designed for maximum comfort, sturdy leather and textile uppers with warm linings, and D-ring metal eyelets for a more secure fit. This advancement in styling, complemented with weatherized materials, allows you to be comfortable regardless of season.
